## About Me

Hello there, my name's Max. I've been working as a Mo-Graph/Editor since 2003, in that time I've had the fortune of working with some of the largest brands in the world, at amazing locations & agencies from London to Milan.

I have a hands on approach with all my work, and I thrive being in the process from design to completion. I believe my skills & Brummy charm help bring a calm clarity to projects that are usually chaotic.

Agencies & Post houses I've worked at include VCCP, H&O, Grey, Craft, Sky, BBC, C4, ITV, Complete, Attention Seekers, The Farm Group, Framestore, Ginx, Synergy, Bloom, Spacecity, Disney, Turner, and many more.

Originally from Shropshire, I now live in Buckinghamshire with my wife and two boys (& two guinea pigs). If I'm not working, I'm spending time teaching my boys about the things that excite me like wildlife, music, scary monsters and anything to do with the ocean. I also love Dim-Sum, so if you ever fancy having a face to face some time, let's do it over Dim-Sum!
